

Sunday School Programs at St. Andrew's UMC

St. Andrew's encourages children to participate with youth and adults in worship. All ages of the faith community celebrate together in our Church Family Worship service held on the first Sunday of each month.

The remaining weeks of the month, children join with their parents for the opening of the worship service and participate in a special children's sermon time with the pastor before they go to Sunday School.

Sunday School Classes for Children

Classes are held for children age 3 through Senior High School. Curriculum is varied and specifically geared for the age of the child. All learning is Bible-based, and when a child reaches third grade she or he is given a Bible of their very own. These Bibles can then come to class throughout the rest of their Sunday School experience.

Adult Christian Education

THE SUNDAY MORNING ADULT BIBLE STUDY meets at 9am in the Graf Room the second, third, fourth and fifth (when there is one) Sundays of the month. All adults are invited. No preparation required. Topics are varied and timely.

ADULT BIBLE STUDIES are offered at 2 different times during the week: Monday evening at 7:00 p.m. in the church lounge, Wednesday mornings at 9:30 a.m. in the church lounge. Studies focus on different books of the Bible; as well as studies of books on relevant, important topics.

*Call the church office to get more information about these opportunities.
