

# FRIENDS of Music

## **Dear Friends in Christ,**

Music uplifts us, inspires us, soothes us and excites us, especially when it is part of the worship service. Brass adds excitement and energy to the Hallelujah Chorus, a harp gives us deep feelings during call to prayer or communion. Heartfelt violin solos give new and meaningful insights. Singers add a depth of emotion and understanding that can be achieved no other way.

Thanks to all who have donated to the Friends of Music Fund, we have enriched our worship with special music. This past year we have enjoyed harp during communion, violin on Good Friday and with the choir, Titan Brass for Christmas Eve and Easter, the Luck Brothers, flute solos with the choir, and singers that supplemented the choir for special occasions.

**June is designated as Friends of Music Month. The idea is to concentrate giving to the fund in June so we know how much money we have to plan the upcoming year. There will be red envelopes in the narthex, or you can donate on line by going to our website and following the link. Please use either of these methods for your generous gifts. Make checks payable to St. Andrew's and notated Friends of Music Fund.**
